

Carbon And Para-Aramid Fibre Reinforcements

Manufacturer	Gurit Spain, S.A.
Address	Pol. Ind. Romica C/4, parc. 11, Albacete, 02006, Spain
Product	SE84LV HEC150
Type	Unidirectional Carbon
Mass	150 g/m ²
Finish	Epoxide
Characteristics	Unidirectional high elongation carbon fibres adhesively supported
Applicable LR Rules	Lloyd's Register Rules for the Manufacture, Testing and Certification of Materials
Approved Variants	SE84LV HEC200: Unidirectional 200 g/m ² carbon fibres SE84LV HEC300: Unidirectional 300 g/m ² carbon fibres SE84LV HEC450: Unidirectional 450 g/m ² carbon fibres SE84LV HEC600: Unidirectional 600 g/m ² carbon fibres

This certificate is issued to the manufacturer named above. The fibre reinforcement described has been examined in accordance with the requirements of Lloyd's Register and is approved for use in constructions built under Lloyd's Register survey.

This approval is subject to Lloyd's Register being informed of any changes in or modifications to the fibre reinforcement being used in accordance with the manufacturer's instructions and the relevant requirements of Lloyd's Registers Rules and Regulations.
